Cosmetology

Associate in Technical Arts (109 cr)

Coursework qualifies students for the Washington State Cosmetology Licensing exam. Topics will include: cosmetology general sciences; hair care, styling and cutting; chemical texture; skin and nail care; wigs and extensions; make up and business skills. Courses are taught in both classroom and lab settings.

Students complete required instruction to qualify for the License examination while completing an Associate in Technical Arts Degree. This degree is provided through a joint agreement between the West Sound Technical Skills Center and Olympic College. To enroll, students must complete the West Sound Technical Skills Center application and meet all core and program requirements.

Cosmetology-Esthetics

Certificate of Specialization (65 cr)

Coursework qualifies students for the Washington State Basic Esthetics Licensing exam. Topics include: general sciences, skin care, temporary hair removal, make up and business practices. Courses are taught in both classroom and lab settings.

Instructor Training

Certificate of Proficiency* (45 cr)

Coursework prepares students for the Washington State Instructor Licensing exam. Students will learn to be instructors in esthetics or cosmetology programs. The focus will be on quality instruction in classroom and clinic settings.

Instructor Training (Fast-Track)

Certificate of Recognition (16 cr)

This program is designed to prepare students to become effective instructors of Cosmetology or Esthetics.

"I just feel so supported by the other students and the teachers. It's a family in a way."

- Jenny Clarke,
Graduating Class of 2017

"The campus here is really great and supportive."
